Donna:

Please remove the large figure (ES-1) embedded in the RedlineRedacted_5_22_13 file in the folder below and send the resulting file (hopefully much smaller) to those cc'd on this email. The track changes in this file must remain.

Dania and Rebecca:

I sent the redline text, tables and figure for the OU5 RI to you today, but the text filesize was too big to go through. Will send the other files separately.
